*Blue Chip.*

**Freeport Operations (Mauritius)** is the blue chip in your trading basket with Africa, a market worth some US\$ 32 billion. FOM offers the perfect infrastructure for the safe and easy shipping of the region.

As a member of COMESA and SADC, Mauritius enjoys preferential trade agreements within a store's throw of the continent, in a good time zone. A democratic and stable government has encouraged a long history of skilled labour and the development of a sophisticated banking system.

Freeport regulations enable 100% foreign ownership, the complete repatriation of profits, exemption from stamp duties and no corporate taxes.

Our facilities and services include: Warehousing and Storage, Flexible Units ideal for Bulk Breaking, Light Manufacturing, Minor Processing

and Assembly, Cold Storage, Marketing Support with Stock Control & Trace and Track Technology, Offices and wholesale Shops, and Banking and Insurance.

The most modern and well-equipped Trade and Exhibition Centre in the region is a unique feature of the complex. It is the ideal place for holding trade fairs and buyer/seller meets to foster exchanges around this part of the world and generate more business.

**NEW STRIDER'S COTTAGE**  
IDEAL ACCOMMODATION FOR AMATOLA TRAIL GROUPS - OVERLANDERS

Endangered flora and fauna is abundant - Roggebaai is one of the best strongholds of the Cape Parrot (only ~100 left in the wild - a large group of them often roost in the hostels trees) and the Sannox monkey, as well as being home to unique and unusual species of butterfly, lizards, fungi and mosses. Game reserves containing typically African wildlife are within easy driving distance of the village.

We offer a shuttle service which runs from Roggebaai to East London and Chelms, return, every day except Wednesday and Saturday. So get here soon - the Fairies are waiting to show you a whole new magical world.
